& SPRAYING

# COMPANY ETHOS

## VALUES

Duplex believes in the development of striving young individuals in order to build years of knowledge and experience into the future of the company and indeed, the industry. We create a transparent relationship with our clients, thus ensuring client confidence in our application abilities.

## VISION

Our Mission is to provide a one-stop, tailor made service of the highest standard to existing and prospective clients. Through committed management and well-motivated staff we can continue to be a progressive and innovative organization in the Industry. Our goal is to minimize impact to the environment and to prevent injuries, illnesses and harm to our employees, our clients, our communities, the environment and all others who could be affected by those activities.

## QUALITY

Our tried and tested successful coating applications are based on internationally recognized Standards in the coating industry. ISO 12944 (British Standards), NACE, SSPC (Society for Protective Coatings) SANS. Our pursuit of excellence is a commitment and not an achievement. Without compromising on quality, Duplex will always strive to work better and faster.

## CAPACITY FACILITY (WADEVILLE)

The total area of our Wadeville branch amounts to 8000m<sup>2</sup> of which consists of 2500m<sup>2</sup> of undercover painting area, 5000m<sup>2</sup> open lay down area, 180m<sup>2</sup> undercover blast room, 60m<sup>2</sup> secondary blast room and 260m<sup>2</sup> of office/stores, all equipped with the latest systems, such as high volume blasting and painting equipment. The facility is served with 2 overhead cranes, 1 12 ton mobile crane and 1 7 ton forklift. This facility allows Duplex Coatings to handle +-200 Tonnes/month. This is however dependent on steel complexity.

## CAPACITY FACILITY (ANDERBOLT)

Our Anderbolt facility is equipped with 9 overhead cranes varying from 5 ton to 64 ton lifting capacity. The cranes have an under hook height of 11 meters. This facility also has a 20 ton mobile crane available, as well as 6 forklifts varying from 3 ton to 7 ton capacity.
